

Traditional Credit Union (the "Credit Union"), as an Authorised Deposit-Taking Institution (ADI), is regulated by the Australian Prudential Regulatory Authority (APRA). APRA is the prudential regulator of the Australian financial services industry. The fundamental role of APRA is to ensure the stability of the financial industry, primarily through the establishment and enforcement of prudential standards.

This report has been prepared by the Credit Union to meet its disclosure requirements under the APRA Prudential Standard (APS) 330 Capital Adequacy: Public Disclosure of Prudential Information. Under APS 330, the Credit Union is required to disclose information about its capital and risk exposure. These disclosures show the assets of Credit Union, their appropriate risk weighing and the capital base. Capital Adequacy is calculated as total regulatory capital base divided by risk weighted assets.

The Credit Union is using post January 2018 capital disclosure template because it is fully applying the Basel III regulatory adjustments as implemented by APRA.
